WORK WEEKEND

After a long drive through the traffic-choked cities, 194 Owasippe Arrowmen arrived at the Owasippe Scout Reservation for the Lodge's annual Work Weekend. After locating tentage, the Lodge proceeded to set up camp. Saturday morning dawned bright and clear and, after a good breakfast, everyone set out on their work projects. Among the work projects completed were cabin moving, road cleaning, tree felling, tree planting, log splitting, dock installation, shrub planting, and mattress repair.

Sunday morning arrived and our Lodge members were privileged to see the public Vigil Sash Presentation; done by Keith Tenczar, Bruce Childs, and Andy Darwell for those members who had made their Vigil the previous evening. We also heard a few words from our Scout Executive, Ed Jacobs. Also on Sunday we planted a group of trees and bushes behind Ad Center as a memorial to our Brother William Reilly of Kanani Chapter. It is hoped that this grove will be cared for and used as a picnic site in the years to come.

The SPIRIT AWARD for the weekend was awarded to Sequoyah Chapter with an Honorable Mention to Quigey Aney Chapter. Thanks to Sequoyah Chapter for providing us with truly unique mealtime entertainment.

Sunday afternoon and Monday were time off for our members who stayed. Everyone who stayed over had a great time. Canoe racing, swimming, hiking, and, best of all, sleeping, were the featured activities. A Crackerbarrel was held on Sunday evening featuring Ice Cream and Pizza. Thanks to Mr. Morrison and Mr. Demerer of Cahokia Chapter for providing the feast.

A special note of thanks must go to Cahokia and Langoma Chapters for Friday Snack through Sunday Breakfast meal service and Tionontali Chapter for Sunday Lunch through Monday Breakfast meals.

A hearty round of applause is due all of our members who braved the traffic and heat to accomplish all the fine work that was done over the weekend. **GOOD WORK !!!**

1978 VIGIL HONOR MEMBERS

Congratulations to:

Michael Carlson
Michael Fredricks
Harold Kahn
Phil Mlady
Russ Martino
Ron Peace

who made their Vigil at the Work Weekend. We hope that this experience and the conferring of this Honor will inspire these members to greater efforts and service to Scouting through the Arrow. Remember: "You are not elected for what you have done but for what you are expected to do".

Thanks also to: Bruce Childs and Keith Tenczar, Ceremonial Team; Andy Darwell, Vigil Committee Chairman; John Cook, Vigil Committee Advisor; and all the members of this year's Vigil Selection Committee for their efforts in the selection and induction of this year's Vigil Honor members.

We would like to take this opportunity to remind those Vigil members who have not yet paid dues for 1978 to please do so. Mailings are not getting less expensive, in fact the recent increase in postage has boosted costs considerably. Please send your \$1.25 to the Council Office if you have not done so.

Once again, congratulations to our new Vigil members.

Chiefly Speaking

My Brothers:

What an exciting and challenging first six months this has been! From some great chapter fellowships and meetings I visited to the service at the Camporall and Work Weekend, I can truly write that things are going well in Owaspippe Lodge.

In keeping with the baseball season, you might say I'm batting "clean up" in this issue of the Arrow. Kevin and Mr. McAlpin suggested I tie up the ends, so let me call your attention to our membership report included with the chapter news. Membership looks much better at this time than it did last year. Hopefully every registered member has received his membership card as soon as possible; but, if you don't have yours, check with your chapter chief.

It looks like about ten chapters are still in the running for the Hand of Service Award--a reflection of their camping promotion efforts and their participation in both chapter and Lodge events. Congratulations to Cahokia, Hopoakan, Keneu, Ganschapuchk and Nuwingi chapters for sponsoring a camper scholarship which will send a boy to camp.

It's not too early to start thanking those Arrowmen who are strengthening Owaspippe Lodge. Kevin Torres, Jim McAlpin and the Arrow staff have done no less than a fantastic job with the newsletter. Each issue gets better, and I undoubtedly believe it's the best newsletter published in our section. On behalf of the Lodge I would like to extend grateful appreciation to Mr. Don Anderson who designed our new eight-foot Lodge flap and to Jeff Johnson who served our Lodge as 1977 Nominations Chairman and as our 1978 Recording Scribe.

Good Luck in Georgia, Jeff; and bring the Owaspippe Lodge spirit down with you. I would also like to congratulate Naju Amochol and Quigeu Aney Chapter, as well as Mikanishkote, Lu Mennepec and Ganschapuchk Chapters.

Through their chapter fellowships these chapters demonstrated that lofty, seemingly unattainable goal of working together and building a strong tie between themselves. Each time we finish a Lodge event I have a great feeling of pride, knowing that there are boys and adults interested and truly dedicated to catching the spirit of the Order of the Arrow in its many forms. To these Arrowmen, and there are a lot of you, congratulations; and, if I missed you personally, keep up the good work; it's contagious.

Starting in September your chapter is going to need you. Don't pass up the tremendous opportunity for leadership development by serving as a chapter officer; and, if you are an adult, you can grow in the spirit through your support and interest with a chapter committee.

If you haven't given the Section Conclave much thought--start thinking. You want to learn more about the O/A and really have a good Scouting weekend, then don't pass up the Section Conclave. Hey, it's summer. Get out of the concrete jungle; take the troop to camp. I'll see you there.

John Kosik

FROM OUR LODGE

LAY ADVISOR

From all the reports that I have heard the Work Weekend was a great success. All the proposed work projects were completed, even to getting outside lights on the information booth. I also understand that there was enough time for fun and fellowship. Sorry that I could not be there to personally thank all those who had a part in making it the success that it was.

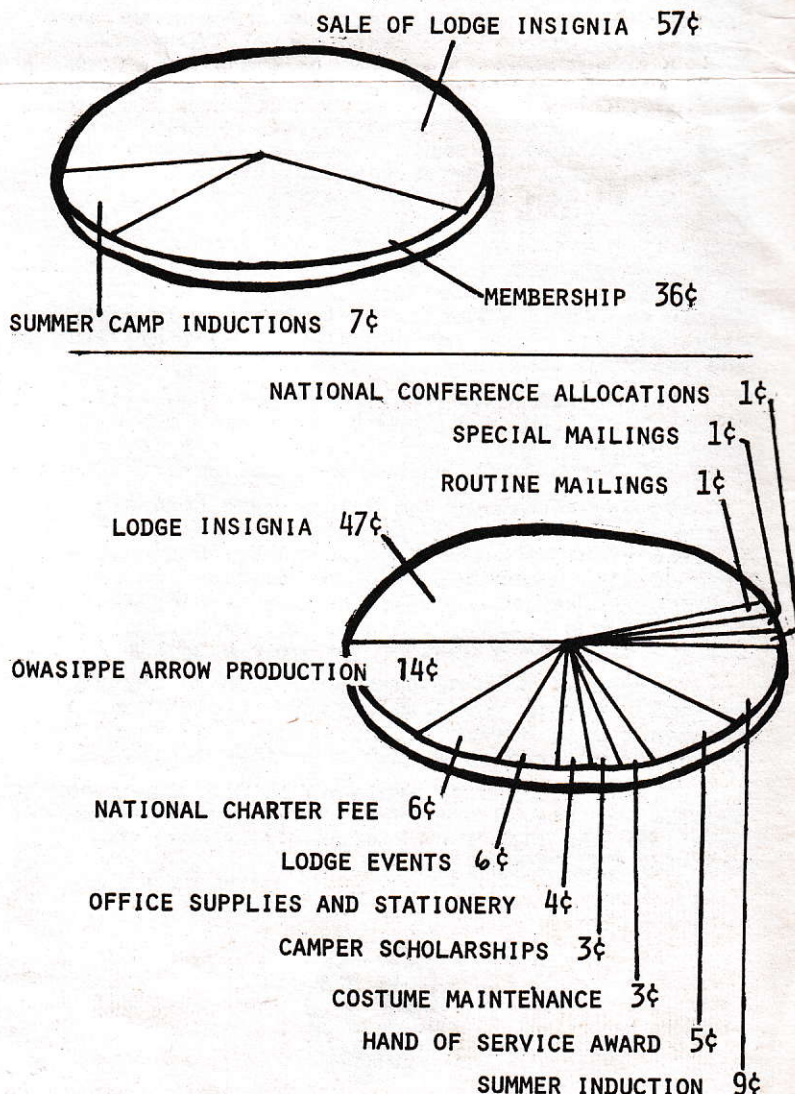

My congratulations to the new Vigil Honor members and to Andy Darwell, and his Advisor Mr. John Cook, for seeing that a meaningful ceremony was held.

By the time you receive this camp will be about ready to open for another great season; but, remember that it is still not too late to recruit boys for camp. Sometimes it only takes a little talk with the parents.

I would like to thank each of you who remembered me with cards, calls and visits during my recent stay in the hospital. They were encouraging and very much appreciated.

THE CAT CAME BACK

CHORUS:

But the cat came back the very next day,
They thought he was a goner;
But the cat came back they knew he wouldn't
Stay, away, away, away.

1. Old farmer Johnson had problems of his own.
He had a yellow cat that wouldn't leave his home.
He tried and he tried to give the cat away,
He gave him to a man going far, far away.
CHORUS:

2. He gave it to a man going up in a balloon.
Told him to give it to the Man in the Moon.
Balloon came down 'bout ninety miles away.
And where the man is today I dare not say.
CHORUS:

3. He gave him to a man going way out West.
Told him to give him to the one he loved best.
First the train hit the curve, then it jumped
the rail.
And not a soul's alive today to tell the
gruesome tale.
CHORUS:

4. He gave him to a boy with a dollar not.
Told him for to take him up the river in a boat.
Tied a rock around his neck, it must have weighed
a pound.
And now they drag the river for the little boy
who drowned.
CHORUS:

5. Man around the corner said he'd shoot that cat
on sight.
Loaded up his shotgun with nails and dynamite.
He waited and waited for that cat to come around.
Ninety-seven pieces of man was all that they found.
CHORUS:

6. The A-bomb fell just the other day.
The H-bomb fell in the very same way.
England went - Russia went - then the U. S. A.
The Human Race was destroyed without a chance
to pray.
CHORUS:

EDITORIAL

OF TIME, PRIORITIES, AND ADULT LEADERS

Adult leadership is, as we have experienced, the most vital organ in the Scouting program next to the Scouts themselves. Leaders are needed both as direct supervisors such as Den Leaders and Scoutmasters; and as indirect supervisors such as Cubmasters and Troop Committeemen.

Recently, at a Lodge meeting, Mr. Chandler, our Lodge Professional Advisor, emphasized the importance of budgetting our time and of setting priorities. I believe the real credit in Scouting goes to those volunteers who work on the unit level in contributing thousands of hours of work directly for the benefit of our youth.

Our priorities should be to design a program that develops and directs those qualities which are needed to help boys become respectable and responsible citizens. The program should accomplish this by developing citizenship, character, and physical fitness - not even to mention the extensive camping program that Scouting offers.

It is my hope that those leaders who work with Scouting find deep satisfaction in their work, as they bring significant experience and values into the lives of the boys who live in our community.

EDGAR MONTALVO

JOHN KOSIK

If you had to pick just one word to describe John Kosik, I bet it would be "ENTHUSIASTIC!", in capital letters and with the exclamation point.

John began in Scouting as a Cub with Pack 3998 where he attained the rank of Webelo. He then moved to Troop 998 and three years later joined Post 9998. He has held about every Scout leadership position in the Troop and is currently an Assistant Scoutmaster. He has served as Vice-President of the Post. As a Scout/Explorer he achieved the rank of Eagle with three palms and is a member of the National Eagle Scout Association. He also holds the Ad Altare Dei Award from the Roman Catholic Church.

At the District level, John has kept himself busy on the Klondike Derby, Camporee, Swim Meet, and 1st Aid Meet staffs. He has also helped the Indian Boundary District with its Merit Badge Clinics and has served on the Council Junior Leader Training Staff.

To occupy his Summers, John has worked on the Owassippe Staff since 1974 as a C.I.T., Commissioner's Aide, Commissioner, and Ordeal Honors Master and is now a veteran member of the staff. He was selected as the Outstanding Staffman of the Year in 1976.

John was inducted into the Order in 1972 and made his Brotherhood one year later. As a member of Keneu Chapter he has served on the Elections, Camp Promotion, Finance, Ceremonial, Fellowship, and Reed Medical Center Service Committee. He has also held the office of Chapter Treasurer.

In his Lodge activities, he has worked on the Work Weekend Committee, Recognition Dinner Service Corps, Get-Together Committee, been a Discussion Leader locally at C.O.T.S. and at the Section Conclave.

Currently serving his second term as Lodge Chief, John has consistently tried to increase our membership through improvement in publicity and publications; promote Scout camping through an active Camp Promotion program and through Camper Scholarships; and to increase the SPIRIT OF BROTHERHOOD within our Lodge as evidenced by our Lodge being awarded the GOLDEN ARROW AWARD at the last Section Conclave. John's goals for 1978 include a rededication to Camp Promotion, the development of a better system of Central Banking, the creation of a quality newsletter, an increase in attendance at Lodge events and activities, and the creation of a "SPRING INTO SCOUTING" day for Webelos.

It is evident that John has definitely caught "THE SPIRIT". And now he's trying to give it to everyone else.

WHAT'S HAPPENING

CHAPTER NEWS

TACHANIGEU

Our fellowship was June 2 - 4, 1978 at Shady Oaks Cerebral Palsy Camp. We had plenty of work to do. As usual our cooks did a fine job. We had a large Brotherhood induction this year.

Our Chapter meeting for June is Wednesday, June 24th at 7:30. The location will be announced by mail. Be sure to be there as this will be the last meeting before our August fellowship.

Our August Fun Fellowship will be Aug. 4, 5, and 6 at the Indiana Dunes. More information to the June meeting.

If you are planning on attending the Section Conclave, please contact Chief George at 776-0405 or Gary Hanson at 445-1245.

MIKANISHKOTE

Our Chapter had 16 members attend the Owasippe Work Weekend. Thanks to those who attended for withstanding the heat and insects to repair the ravages of Winter upon the Camp.

Thanks also to the 20 members who volunteered their services on the Camporall to run stands and smooth things over.

117 members from Ganschapuchk, Lu-Mennepec, and Mikanishkote Chapters attended a combined fellowship at Yorkville on May 5, 6, 7, 1978. 19 separate work projects were completed totaling over 550 man-hours of labor. 46 Ordeal candidates were inducted and 16 members attained their Brotherhood.

Our membership now stands at 110 and will almost definitely reach 125+ by the end of the year.

Congratulations to Ron Peace and Mike Carlson on making their Vigil at the Work Weekend.

NUWINGI

The Chapter has started off the first half of the year very well. Out of 14 units in our district, we held 12 O/A elections. Our fellowship was held May 12 - 14 at Bridgeman, Mich. We inducted 26 new members. Our Camp Promotion Team is doing very well and we hope to visit every unit.

Recently we changed our meeting date to the same time as the District Roundtable, this has been very beneficial. The meetings are held at the Palos Elementary School, 127th and Harlem on the 3rd Wednesday of the month at 7:30 P. M.

QUIGEU ANEY

Our Spring Fellowship was a smash hit! Thanks to the Ritual Teams for an excellent job, the Chapter Advisers for all the help and to John Kosik and Jim Chandler for attending.

Members interested in Chapter jackets should contact Joe Schluep at 423-2546.

We are beginning to set up a Dance Team. Anyone interested should contact Mr. Radtke at 974-3860.

Have a nice Summer!

LENACHA

REMEMBER...our Fellowship is coming up June 23 - 25th at Ft. Dearborn. Plan to attend. If you have any questions, call Edgar Montalvo, your Chapter Chief, at 666-2396.

Hope you had fun at the Council Camporall. But, if you missed all the excitement, our District Camporee is something you shouldn't miss.

GANSCHAPUCHK

The Chapter is preparing for their fellowship on May 5 - 7. Unit elections are now being conducted. We are looking forward to a good fellowship. The Chapter is currently in need of committee assistance. If you are interested please come to the Chapter meeting or contact the Chief.

HOPOAKAN

Our Chapter hosted a Klondike Derby in January which was well attended and the weather perfect for the event. In March we sponsored a District Pinewood Derby and in April we sponsored a District Kite Fly for the Cubs.

Our fellowship will be held June 9, 10, 11, 1978 at Kiwanis Scout Camp. We hope to have a shortened program arrangement for those who cannot make the full 3 day fellowship, this would include attending the inductions and the fellowship banquet.

KENEU

Keneu Chapter recently held their Spring Chapter Fellowship on May 5, 6, 7, 1978 at the Fort Dearborn Scout Camp. Some of the projects were the installation of parking lot markers, construction and painting of latrines, and cleaning out the barn. We inducted 27 Ordeal candidates and 11 Brotherhood.

We will be holding our next meeting at Camp Fort Dearborn on June 1. This will be an outdoor picnic. Officers of our neighboring Chapters are invited to attend.

The Chapter now has 97 members and is striving for our goal of 140.

We wish to extend our condolences to the family of Richard Weickart who recently passed away. We will truly miss his smile.

CHAPTER FELLOWSHIPS

SERVICE AT OUR CHAPTER FELLOWSHIPS

So far this year eleven chapters have conducted Spring Fellowships. Overall, a total of 168 new Ordeal members have been inducted this Spring. Tionontali started the year off by holding its fellowship at Yorkville at the beginning of April. The chapter had an excellent banquet and inducted a total of 13 new members. The following weekend, Uteney held its chapter fellowship also at Yorkville to help prepare the camp for the CAMPORALL. Despite the cold weather, they inducted 16 new Ordeal members. On April 21-23, Quigau Aney chapter held its fellowship at Yorkville with Naju Amochol. Both chapters were responsible for digging the holes for the CAMPORALL flags that stood in front of the lodge. In the evening, Quigau Aney conducted a fine Ordeal and Brotherhood ceremony. Unfortunately for Quigau Aney, some of the Ordeal candidates got lost, and the ceremonial team had to do a "take two" on the Ordeal Ceremony.

On April 28-30, the mighty Cahokia Chapter held its fellowship at Bridgeman in Michigan. Over 50 Arrowmen attended and prepared the camp for the summer. Cahokia inducted 15 new Ordeal members.

The Weekend of May 5-7 will be an event in the annals of Owaspippe Lodge's great history! Mikanishkote, Lu Mennepec, and Ganschapuchk Chapters had a combined fellowship at Yorkville. Over 120 Arrowmen attended and over 600 man hours of work was completed. 45 Ordeal members were inducted, and these chapters really proved that "unified we can accomplish more". Also on the same weekend, but on the North side, Keneu Chapter conducted its inductions at FORT DEARBORN, a camp which hasn't been in the news lately. They inducted the greatest number of Ordeal members by a single chapter-27 Ordeals-and performed excellent ceremonies. May 12-14 marked Nuwingi's fellowship at Bridgeman. Except for the torrential rainstorm during the ceremony, things went well and 23 members were inducted.

Finally, on June 2-4, Tachanigeu Chapter held its fellowship at the Shady Oaks Camp. A special slide show was presented at the banquet for Jeff Johnson, past Chapter Chief, and Bob Nenne, also past Chapter Chief. Both will be moving out of town.

A lot of work has been completed and the Lodge is sure this cheerful spirit will continue for Summer Camp Inductions and at the Lodge Fall Fellowship.

KENEU CHAPTER'S NEW ORDEALS. WELCOME!

The Conclave presents a splendid opportunity for learning more about the Order and how it operates in different Lodges. Conclaves are held for the purpose of creating good fellowship; developing interest and enthusiasm in our Order; providing for the sharing of new methods and ideas; promoting workable procedures for effective local Lodge operation and administration for young men who like the challenge of leadership and Scouting.

THE MEANING OF THE OBLIGATION

When we were inducted into the Order we took a pledge called the "Obligation". How many of us remember that little saying.

"I do hereby promise, on my honor as a Scout, that I will always and faithfully observe and preserve the traditions of the Order of the Arrow, Wimachtendienk, Wingolauchsik, Witahemui, which I have now received. I will always regard the ties of Brotherhood in the Order as lasting and will seek to preserve a cheerful spirit even in the midst of irksome tasks and weighty responsibilities, and will endeavor, so far as in my power lies, to be unselfish in service and devotion to the welfare of others."

Have we forgotten the way Dr. E. Urner Goodman wanted the Obligation, and have we forgotten the REAL meaning of it? I think some of us have.

Dr. E. Urner Goodman and 25 Scouts were inducted into the Order at the Treasure Island Camp (near Philadelphia, Pa.) in the year 1915: Honor Campers who lived by the Scout Oath and Law.

I have been to several O/A functions recently and I have seen the same thing all too many times. Scouts taking it easy, being lazy, and not wanting to get involved. Well, Brother, a reminder; when you pledged yourself to the Obligation you "got involved": not because you alone decided to, but because your fellow Scouts thought you were worthy of the honor of belonging to the Order of the Arrow.

How about it? Are you who were so honored going to let them down? Are we going to stand back and watch just a few do the work while many hands are needed? Why not renew yourself and your dedication to the Obligation? When is the last time you read or repeated the Obligation? Take a moment now for that renewal; not just for the sake of the Order; but for all those friends and fellow Scouts who thought you worthy of the Arrow.

Are you going to let them down?

ONLY HE MAY WEAR THE ARROW, WHO AT FIRST HIMSELF WILL GIVE.....

Yours in Brotherhood,

TERRY BUSSARD

DON'T FORGET! Lodge Officer nominations are due in September at the Lodge Meeting. If you are interested in running for a Lodge Office, see your Chapter Chief for a nomination form, fill it out, and turn it in at the September Lodge Meeting!
